COMMUNITY SIDEWALK PROJECT: Phase 1: Completed in October 2020. Phase 2: Now in the planning stage with fundraising and grant writing for the new sidewalk on the east side of Morgan Ave from Delaware St to Ross St. The goal is to have funds raised for project to be completed by the start of the 2022-2023 school year in August! The sidewalks surrounding the student & fan parking lot at the corner of Morgan and Delaware & from Delaware to Ross have been in great disrepair for years. All ages of students and anyone attending events at Lakeside Jr/Sr High use them. The Downs High School Alumni Association has taken on this community project to help spruce up the area making our community safer and more appealing to our out-of-town guests. As a 501 (c)(3) tax exempt organization that holds a public charity status of 509 (a)(2) status, we appreciate all donations, small or large and they are tax deductible! Checks are payable to DHS Alumni Association - LHS Sidewalk Project. Donations are collected at Farmers & Merchants Bank in Cawker City, Miller Hardware in Downs, and Waconda Boats & Motors in Glen Elder, by mail or use the Donate button on our website to use credit or debit card. Grant applications will be submitted, but in doing so, we need to show community support with donations!
